

ANCILLARY ROADWORKS MAINTENANCE FOR 2023/24 (OPERATIONS AND MAINTENANCE) - POTHOLES

1. PURPOSE

- 1.1. To report on road maintenance in dealing with the service delivery matters for the month of January- March 2024.

2.0 Road maintenance plan and progress report

Objective

The maintenance plan provides the structure within which to strategically manage the maintenance and optimize the life cycle of the municipal assets in accordance with the service delivery requirements and towards achieving the needs of the community that the municipality is responsible for.

Key objectives

- Assets are maintained and kept at optimum operation for the duration of the life cycle
- Minimize disruptions and loss due to failure
- Critical areas are identified and managed early
- Information is gathered to assist future decision making
